SHADETREE AUTOMOTIVE

Foreign, Domestic, Diesel and 4-Wheel
"Almost 50 years ... I love what I do" - Bruce

We started late fall in 1966 in a rented building in Chico. Worked before and after school. In 1970 moved to new location offering Auto Repair, Auto Wash, Detailing, Fuel. In 1980 we moved to Quincy. Now we offer General Repairs, Auto Sales, Tire Sales, Auto Glass, and California Smog Inspection. Our goal at Shadetree Automotive is to be honest and do quality work, with positive attitudes about what we do. We have many years of experience, but we are still challenged daily by this ever changing industry.
