**10:00am-12:00pm**

Guardians, you can use our computers and work on your needed documents while we host a children's program all week between 10am-12pm and keep your children occupied. Or just use this time to charge your devices and take a breather.

We have added public computers and laptops to the Quincy Branch for your use. We can waive fees for printing any items related to the fire (you can use a voucher or just let us know.) If you need something copied or scanned, ask the front desk.
